OF ABANDONED APPLICATION**

Sir:

This is a Petition under 37 C.F.R § 1.137(b) for revival of the present application.

BACKGROUND

It is unclear whether the present application is abandoned. While Petitioner believes that the present application is not abandoned, in an abundance of caution, Petitioner hereby submits this Petition. In the event that the present application is abandoned, Petitioner requests revival of the present application under 37 C.F.R § 1.137(b). In the event that the present application is not abandoned, Petitioner requests that this Petition be dismissed as moot.

PROSECUTION HISTORY

An outline of the prosecution history of the present application is as follows.

On December 5, 2005, a Final Rejection was mailed.

On February 23, 2006, an Amendment after Final Rejection along with an Information Disclosure Statement were filed. This Amendment was filed within three months from the Final Rejection and was believed to not require an Extension of Time, although on page 25, the Amendment stated "The Commissioner is hereby authorized to charge any additional fees which may be required by this paper, or credit any overpayment, to Deposit Account Number 05-1712."

On April 14, 2006, an Advisory Action was mailed, refusing entry of the Amendment under 37 C.F.R. § 1.116.

On May 5, 2006, a Supplemental Amendment was filed. This Supplemental Amendment effectively included a Request for an Extension of Time, by virtue of the statement on page 17, "The Commissioner is hereby authorized to charge any additional fees which may be required by this paper, or credit any overpayment, to Deposit Account Number 05-1712." Furthermore, since this Amendment complied with all requirements made by the Examiner, it was believed to prima facie place the application in condition for allowance.

On August 2, 2006, a Notice of Allowance along with an Examiner's Amendment were mailed. The Examiner did not charge any additional fees for the Examiner's Amendment.

RELIEF REQUESTED

It is not clear whether the Examiner should charge fees for an Extension of Time for the Examiner's Amendment in this situation. Therefore, it is unclear whether the present application is abandoned for this reason, or whether the Examiner is authorized to enter an Examiner's Amendment without a fee charge. As stated above, while Petitioner believes that the present application is not abandoned (because all of the Petitioner's Responses included an authorization to charge any additional fees), in an abundance of caution, Petitioner hereby submits

this Petition. In the event that the present application is abandoned, Petitioner requests revival of the present application under 37 C.F.R § 1.137(b).

37 C.F.R § 1.137(b) provides, in part, that if the delay in reply by an applicant was unintentional, a petition may be filed pursuant to this paragraph to revive an abandoned application. A grantable petition pursuant to this paragraph must be accompanied by:

(1) The reply required to the outstanding Office action or notice, unless previously filed;

(2) The petition fee as set forth in § 1.17(m);

(3) A statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to this paragraph was unintentional. The Director may require additional information where there is a question whether the delay was unintentional; and

(4) Any terminal disclaimer (and fee as set forth in § 1.20(d)) required pursuant to paragraph (d) of this section.

The Petitioner submits that:

(1) The Supplemental Amendment of May 5, 2006, as previously filed, constitutes a proper reply to be considered by the Examiner;

(2) The petition fee as set forth in § 1.17(m) (\$ 1,500), if necessary, accompanies this Petition via the authorization to charge any necessary fees in connection with this Petition;

(3) Based on information and belief, Petitioner herein states that, the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to this paragraph was unintentional; and

(4) A terminal disclaimer is not required in the present situation since the present application was filed after June 8, 1995.

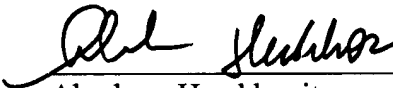

CONCLUSION

It is unclear whether the present application is abandoned for the reason that the Examiner is without authorization to mail the Examiner's Amendment without a fee charge. In the event that the present application is abandoned for this reason or any other reasons, Petitioner requests revival of the present application under 37 C.F.R § 1.137(b). In the event that the present application is not abandoned, Petitioner requests that this Petition be dismissed as moot.

The petition fee as set forth in § 1.17(m) (\$ 1,500) accompanies this Petition. If any additional fees are required for consideration of the petition filed herein, or to maintain pendency of the application, the Commissioner is hereby authorized to charge such fees, or credit any overpayment or unnecessary payment, to Deposit Account No. 50-2929.

Please direct questions related to this Petition to the undersigned. All future communications should be sent to the address of record.

Respectfully submitted,
C. Y. Lin, *et al.*
